

Michael always has trouble getting to his business meetings. He decides to try the Being Late app and sees if that can help schedule his day that way he can stay on top of his business meetings.

First, Michael decides to get ready and uses the app in order to tell him how long he has in order to get ready and get going out of the house.

Then Michael is given the destination as well as how much time will it take to get to the business meeting of the day.

He runs in making sure to check in through the app to confirm its location. After that Michael make sures to ace the meeting and impresses all the ladies.

Michael crushes the rest of his business meetings by being on time and didn't lose any money because of it.

And at the end of the day, Michael makes sures to rush home in time for dinner.
